

Minutes from 10/18 EPO Telecon:

Attendees:

Angela Phelps – PSU
Marilyn Lindstrom – HQ
Jane Fisher – SETI
Karen Dodson – NAI
Krisztina Wilmoth – NAI
Darlene Gadd – NAI
Catherine Tsairides – Ames
Rebecca Davis – ASU

Round Table:

Marilyn Lindstrom – talked about what is happening at HQ's on Education program. The Forum leaders of Origins are looking into changing the OSS EPO program and Origins on Science Education. Research programs are very important.

Krisztina announced Daniella is the lead for EPO. Her title is Education and Public Outreach Coordinator.

Krisztina would like to get a report on the teams work. You may want to look at your session. Write an introduction on your program from the Annual report and write a paragraph on what your team does. Also need 1 or 2 images, capturing anything on your program. Need by next Friday 10/25.

NAI 2003 General Meeting:

Catherine updating, getting together on Monday w/teachers, with hands-on sessions, ERG, Jane at SETI, working towards Professional Developments, training, and looking into Arizona Standards. Where do we go from here with Outreach?

ABSTRACTS due October 29.

Rose (Acting Director) has suggested having EPO sessions in with the Scientist sessions. Have your abstracts call out what sessions you want.

Please try to submit Talks and Posters. Encourage you to do this, so that they can hear us. This is to educate the Scientist, and to be heard.
