### **Agenda:**

First, this month we will refrain from going around the table to check in on news from each person. If you have something you'd like to share, please let Daniella know in an email ([dscalice@arc.nasa.gov](mailto:dscalice@arc.nasa.gov)), and will be sure to allow time for it at the beginning of the telecon.

The first 45 minutes of our hour will be spent discussing our plans for the General Meeting. We will finalize plans for our three morning breakfast meetings, be updated on Tuesday afternoon E/PO activities, and hopefully get any questions answered.

EPO meeting Feb.10,11,12 7am LaPaz room, Kay, Krisztina Professional Development. What is new out there? What are we learning? Kay is the leader on this project. How is Professional Development around Scientist and University.

**Monday:** Kay on Professional Development

**Tuesday:** Kay/Tuesday stuff

**Wednesday:** Working groups/Reporting NAI development, SETI

Teacher's Dinner on Tuesday 6:30 – 7:15 pm in Tent located outside. Teachers and Scientist.

Catherine suggested to e-mail what you like to give out to teachers

70 packets. Darlene please send hardcopy of ERG, planet cards, bookmark. Ship materials to Sheri Klug @ Arizona State University.

Sheri can have up to 10 posters up at the Mars building.

The final 15 minutes, we will hear from Karen Bradford about her project “NAI Minority Institution Cooperative Program” which is part of NAI Central’s EPO effort.
